

## DIY! NIGHT - BARTER LIST

Decide what you want to exchange in order to participate in Do It Yourself! NIGHT. That's simple:

- check out the barter list below,

- pick up what you want to exchange for participating in the DIY! NIGHT (if an item is mentioned more than just once on the list it means that we need more than just one and more participants can barter this item); **we prefer home-made, hand-made, homegrown products,**

- mail the number of the item you would like to barter (as listed below) to [krystian@tf.nl](mailto:krystian@tf.nl),

- bring your barter item with you on the day of the event on the 4th of September at W139.
